

## Constructing a Hospital Unlike Any Other in the North America

It's amazing how far we've come. What was a vast open space in 2011 is now a 14-storey building, thanks to the efforts of our hospital's planning team, our project partners and the hundreds of construction workers, architects and engineers who have worked on the site.

The activity at Keele St. and Highway 401 signifies that a big change is coming to hospital care for our community. The new Humber River Hospital will be North America's first fully digital hospital – ushering in a new era of healthcare, one which will use the finest possible technology to support a philosophy of patient-centered care.

Integrating the physical construction with advanced medical technology, ground-breaking environmental planning and patient-care innovation is no easy feat. Ours will be a hospital that is green, efficient and smart... one of the finest in the world.

It will have an immediate impact on our patients, and is already attracting interest from healthcare planners around the globe. They are looking to learn from the level of innovation we have integrated into our planning, both in terms of the construction, and what it will mean for patient care delivery. The lessons they learn here will inform the planning of their future hospital facilities.

Despite being one of the largest, most complex construction projects ever in Canada, we'll open on October 18, 2015 – on time and on budget.

## Progress Report

- 75% of all construction is now completed
- All roadways are now paved
- Landscaping is well underway, including the planting of over 800 trees
- The Cancer Care, Dialysis, Cardiology, Medical Imaging and Surgical Clinics are almost complete and are currently undergoing air handling testing and balancing

## Patient-Care Report

- 80% of inpatient rooms are single patient rooms, for optimal privacy and comfort
- 24hr visiting hours, so you never have to leave the ones you love
- 100% fresh air throughout the entire building, all the time
- Secure online access to your medical record – right at your bedside

## We Need Your Help

We have to purchase 55,000 pieces of equipment to provide the most advanced patient care. It will take an investment of \$225 million from you – our caring and compassionate community – to buy the much-needed equipment that will complete our new building.

The provincial government is investing \$1.75 billion to build and maintain the new hospital, but they do not fund the vast majority of our equipment needs. For that we need the strength of our entire community.

Let's have everything ready for when the doors open October 18, 2015. Donate today and help us finish the job!

**FAUSTO GAUDIO AND JACK KAY**  
Co-chairs, Campaign,  
Humber River Hospital Foundation

As we say goodbye to the last days of summer, we look towards the coming Fall months with much anticipation and renewed fundraising vigor. In fact, this time of year is traditionally a crucial one for our fundraising efforts. This October will be especially hopeful – it will mark one year until the new hospital opens.

When we became involved with the fundraising efforts for the new Humber River Hospital many years ago, opening day seemed like a distant dream. And now, with just over a year until we open the doors to North America's first fully digital hospital on October 18, 2015, the excitement and urgency are palpable. It's this very real sense of urgency that will drive our fundraising activities for the capital campaign over the next year – we need your support.

Thousands of construction workers, architects, engineers and planners are working hard to build our new hospital. But it will take the strength and heart of an entire community to open the doors in 2015.

Thanks to your generosity, our progress has been tremendous - \$62 million raised to date. While we still have a long road ahead of us to our goal of \$225 million, our drive remains strong and our belief unwavering.

We steadfastly proclaim that we will be successful in our fundraising, we will open the doors to the new Humber River Hospital, and we will celebrate together the amazing things that can happen when a community puts their heart and soul into a project.

## Thank You for Investing in Patient Care Reinvented.

**The following individuals and corporations have answered the call for better healthcare by recently pledging more than \$100,000 in support of the \$225 million campaign for the NEW Humber River Hospital.**

- \$2,000,000 ..... Yong Jo & Yong Mi Yu
- \$1,000,000 ..... Falconeri Munro Tucci LLP
- \$650,000 ..... International Brotherhood of Electrical Workers Local 353
- \$634,885 ..... The Carpenter's Union
- \$500,000 ..... The Rudolph P. Bratty Family Foundation
- \$300,000 ..... Colombo Importing / Pelliccione Family
- \$250,000 ..... Nick & Rosanne Cortellucci
- \$104,352 ..... Thelma & Carl Anderson
- \$100,000 ..... Paolo Abate & Nick Tsimidis, Real Wealth Group

## RBC Foundation Donates \$1.25 Million

On May 7, RBC announced a generous pledge in support of the Child & Adolescent Mental Health program at the NEW Humber River Hospital. The new hospital's Child & Adolescent Mental Health Inpatient Unit will be named in recognition of this gift from the RBC Foundation.

"We understand the toll mental illness can take on children and families, along with our communities" said Susan Stauth, RBC Regional Vice President, Toronto West. "That's why we're proud to support Humber River Hospital as they help individuals in need gain the confidence and connections necessary to live happy healthy lives."

**PHOTO**

RBC, HRH and HRH Foundation staff and volunteers celebrate RBC's generous gift.

## Patients Care

Every day we are lucky enough to hear stories from so many of Humber's grateful patients who want to give back in honour of the doctors and nurses who saved their lives, or the lives of their loved ones.

The Foundation is proud to announce the launch of a brand new fundraising program – Patients Care. Starting this Fall, posters and brochures featuring grateful patients and their doctors will be distributed throughout the three hospital sites to encourage others to consider making a gift to the new hospital in honour of their caregiver.

**Here's just one example of a grateful patient expressing their gratitude:**

"What I loved about my experience with Dr. Singh was that I felt like someone else genuinely cared about my son - he's not the typical "in and out" doctor. He made a connection with Ethan that was more than doctor-patient. Although the circumstances were not exactly ideal, I love that I had the opportunity to meet such an amazing person. He's beyond the title of a good doctor, he's a good man. We're very fortunate to have had him as our doctor."

**CELINE HARRIS** - Mother to Ethan

## International Brotherhood of Electrical Workers Local 353 Donates \$650,000

With 540 skilled electricians working on the new Humber River Hospital and their generous donation to our capital campaign, IBEW Local 353 is helping to bring North America's first fully digital hospital to life.

"IBEW Local 353 believes that our skills and dedication to quality installations will ensure Humber receives the best facility possible to serve our community. We are a part of the community and believe that our involvement will not only benefit ourselves, but our families, friends and neighbours for years to come. We encourage others to give to our Humber River Hospital, the new benchmark for our healthcare system," said Steven Martin, Business Manager, IBEW Local 353.

**Dr. Narendra Singh, Chief of Pediatrics and Acting Chief of Staff with grateful patient Ethan Harris.**

## Why I Give

**Janice Pound, Project Coordinator,  
Nephrology Program**

As a staff member at Humber River Hospital, I donate because I believe in the new state-of-the-art facility that we are building. It is important for me to demonstrate to members in our community and to fellow co-workers that this new hospital is supported by the staff that works here. Our new Hospital is going to be of great value to our community, to our patients and for us, Humber River Hospital employees.

For me, donating is beneficial in two ways. First, it helps to build and equip a brand new, spacious hospital that will benefit thousands of patients. Secondly, it helps to create a place where I am proud to work. When the new Hospital opens next year, I will take personal satisfaction in knowing that I have been a part of a group of people that have come together to help bring North America's first fully digital hospital to our neighbourhood.

# There's Strength in Numbers.

## Every dollar matters and our community events are proof.

The Humber River Hospital opens October 18, 2015 at a cost of \$1.75 billion coming from the provincial government. Our community must raise \$225 million in corporate, community and private funding to finish the job.

Whether it's for goodwill, team building, or community support, show your stakeholders, employees, customers and their families that your organization, club, school or group cares.

Host a community event and feel good about making a difference.

## community

### 1 Ciocaro Social Club Dinner \$4,500 (net) Raised

On the evening of April 10, 2014, the Ciocaro Social Club hosted a wonderful dinner in support of the Urology Department at the new Humber River Hospital. Over 70 attendees came out to show their support. A special thanks to Club President Joseph Capogna, and club members Mike Gliatta and Sandy Di Palma for organizing the fun filled evening.

### 2 McHappy Day 2014 \$25,000 (net) Raised

On May 7, 2014, a record breaking 13 McDonalds locations in Toronto's Northwest Region chose to support the new Humber River Hospital through their annual McHappy Day! For that entire day, \$1 from the purchase of every big mac, happy meal or any hot beverage went to supporting the Pediatrics program at the new hospital. A big thank you to Jon MacDonald (long-time supporter) and new supporters Ann and Ferd Schroeder.

### 3 CIBC Annual Fundraising Day \$4,000 (net) Raised

On June 27, 2014, 12 local CIBC branches supported HRH through their 3<sup>rd</sup> Annual District-wide Fundraising Day. From on-site BBQs to bake sales, all the branches involved put a lot of heart and soul into this special day. Thank you to CIBC for helping us reach out to the community!

### 4 Havana Night \$5,000 (net) Raised

On the evening of July 30, 2014, Dr. Lisa Chiang (HRH physician) hosted Havana Night: a fundraiser at Lula Lounge in support of the new hospital. It was a full house with guests enjoying a wonderful three course meal followed by an incredible performance by the talented Ault Sisters! A big thank you to Dr. Chiang and everyone else who made this event possible.

## Upcoming Events

### Shoppers Drug Mart Tree of Life September 20 to October 17, 2014

Many local Shoppers Drug Mart stores in the city's Northwest will be supporting Humber through their annual Tree of Life program. Purchase and sign a paper leaf, acorn, butterfly or bird at the cashier (which is then displayed on the store window) and all the proceeds will support the Maternal & Child department at the new Humber River Hospital.

### Rotary TV Auction November 21-22, 2014

Each year, multiple Rotary Clubs from across the GTA collaborate together to host a 19 hour metro-wide Rogers TV auction to raise funds for various charities across the city. The Humber River Hospital Foundation is once again a beneficiary and will receive 100% of the proceeds from auction items donated to the Foundation. Support the new hospital by donating an auction item (gift cards, gift baskets, event tickets, etc.) to the Foundation or by bidding on an item during the Rotary TV Auction.

### Giving Tuesday December 2, 2014

Be a part of the national movement to kick off the giving season. Host an event, ask your friends to make a donation, donate a percentage of your earnings for the day. By showing you care, you can inspire others in your community to support the new Humber River Hospital.

For more information on any of these events, contact  
Tania Grafstein-Ho 416-249-8111 x 2232 or [tgrafsteinho@hrh.ca](mailto:tgrafsteinho@hrh.ca)

## The River Ball: Revolution by the River

**May 8, 2014**  
**Paramount Event & Conference Centre**  
**\$670,000 (net) Raised**

This was our most successful event! Following their phenomenally successful Broadway engagement, *RAIN: A Tribute to the Beatles* arrived for an exclusive performance at the River Ball, wowing the 850 guests. The band took guests on a magical journey back to a time when all you needed was love, and a little help from your friends. The music spanned the entire career of the world's most famous musical group, from the early hits "I Want to Hold Your Hand" and "Hard Day's Night", to later classics such as "Let it Be" and "Hey Jude".

## The AWESOME Golf Invitational

**August 18, 2014**  
**Eagles Nest Golf Club**  
**\$200,000 (net) Raised**

Thanks to everyone for teeing off in support of the Humber River Hospital and special thanks to our awesome sponsors, Plenary Group, PCL and Johnson Controls. Everyone enjoyed a glorious day of golf, friendship and fundraising.

## Team Revolution

**September 7, 2014**  
**Granfondo Scott Piacenza, Italy**

Congratulations to all 69 members of Team Revolution who conquered the Granfondo Piacenza Scott on September 7, 2014. Each and every rider returned safe and sound. But before they reached the finish line, their stamina and strength were put to the test in a battle of gravel roads, steep climbs and scorching heat. Through extreme teamwork and sheer determination, our guys crossed the finish line all in the name of Humber River Hospital. Since its inception in 2012, Team Revolution has now raised \$1 million for the new Hospital. Check out Facebook and Twitter for the exciting photos and recaps from Italy.

Thank you to all our event committee members who volunteer their time and expertise for all of our fundraising events. We couldn't do it without you!

# ## GivingTuesdayCA

**A season to give.  
A day to inspire.**

On Tuesday, December 2, 2014, millions of Canadians will be celebrating by donating, volunteering and feeling great about giving back to their favourite charity.

By showing you care, you will inspire others in your community to support the new Humber River Hospital.

To learn more about Giving Tuesday, visit [givingtuesday.ca](http://givingtuesday.ca)

**We would love your support on this day.**

- Make a donation
- Ask family/friends to donate
- Host an event
- Donate a percentage of your day's pay

Call Stephanie Highfield at 416-249-8111 ext. 3988 or [shighfield@hrh.ca](mailto:shighfield@hrh.ca) to learn more or arrange an event.
