

2018-19 ANNUAL REPORT

The Future is Bright

The future is always bright at Humber River Hospital, thanks to dedicated donors and supporters like you. We enjoyed another successful year of growth, innovation and success as we work to improve the quality of care for our patients. Your support means that we are always looking forward and always ready for the future.

Thank you for your help!

Our Community is our Strength

Humber River Hospital Foundation is powered by our strong family of supporters. Thank you to all of our donors, volunteers, event attendees and champions.

Your Impact

With your help, we're leading the way for innovative, patient-centered healthcare and look forward to helping even more families get back to the moments that matter.

A photograph of a man in a suit and glasses standing next to a young woman in a white wedding dress, with another woman in a floral dress standing behind them. The image is overlaid with a semi-transparent pink rectangle.

David's Story

After discovering he had colon cancer, David feared not being there for his daughter's wedding. Fortunately, he was a candidate for a new operation called TAMIS.

A photograph of a child life specialist wearing a white lab coat and glasses, interacting with a child. The child is holding a small, white, robot-like device. The image is overlaid with a semi-transparent pink rectangle.

Love, Pepper

Our Child Life Specialists are the first in Canada using Pepper the robot to decrease patient anxiety, increase patient comfort, and educate families.

Augusto's Story

In minutes, the Humber team was able to save Augusto's life by performing an endovascular aortic repair, guided by powerful medical imaging technology.

We are Building for the Future

A bright and healthy future for our community depends on the generosity and dedication of people like you. Our pledge to you is to always inspire trust and confidence as valued members of our community. We demonstrate this each year with financial statements that show our commitment to accountability and making sure your contributions directly support the Hospital's growth and innovation for years to come.

IN 2018/19, HRRF RAISED
\$8.0 MILLION

**WITH
YOUR
HELP**

TRANSFERRED
\$5.0 MILLION

Thank You

Humber River Hospital has become a model around the world not just for using leading edge technologies, but for our vision to enhance the patient experience and deliver superior care.

It's people like you who make this happen. It's your time, efforts and generous donations that make the future brighter for everyone. Thank you!
