Message from the Chair of the Board

Thank you for another incredible year!! In my final year as Chair, I would like to express my gratitude to all our donors, it is your commitment that has inspired me to volunteer for Humber and I will continue to do so for our community. To my fellow Foundation Board members and the Foundation team thank you for all your support during my term. Special thanks to the Hospital Board, Staff and Physicians and all our corporate partners and volunteers for your continuous support. I am very excited about the plans for Humber's new hospital and understand the challenge to raise the funds to build Ontario's First Digital Hospital at Keele, Wilson

and 401. As I step down as Foundation Board Chair, I will take on a new challenging role on the Hospital Board of Directors. Thank you for embracing Humber River Regional Hospital and the health of your community.

Farewell but not goodbye.

Transforming Hospital Design

Transformational. It's a word we heard often over the past year as the design work for our new hospital progressed. In partnership with Infrastructure Ontario, the Ontario Realty Corporation, HOK, and other government agencies, Humber River Regional Hospital is transforming the model for future hospital planning in Ontario. Our efforts to design Ontario's first digital hospital are breaking traditional boundaries by incorporating community renewal. We're introducing new strategies for equipping hospitals with the latest technologies. We're raising the bar on environmental performance for healthcare organizations. Lean; Green; Digital: it will be the standard by which future hospitals are judged. It's the result of thousands of hours of hard work. Researching the best in design solutions around the globe. Computer testing new workflows for maximum efficiency. Refining concepts multiple times in search of the finest solutions. All with one higher purpose: finding the optimum design that most enables our hospital team to do what they do best: deliver high quality, compassionate care to our patients and their families.

Artist's Concept

Portals of Care

We've put a great deal of work into minimizing the distance patients will have to travel at our new hospital. The best solution: portals of care. Simply put, portals of care are similar to what you see in some airports. They're dedicated service access points, designed to keep walking to a minimum. Coming to our new hospital for chemotherapy? You'll park (or get off public transit), enter through a well-marked separate entry for the cancer clinic, and go directly to the reception area for that service right inside that entrance. Other services - orthopaedic fracture clinic, cardiac clinic, bariatrics - in fact most clinics will each have their own portal.

Our plan to start construction of the most advanced hospital in Ontario's history in 2011 remains on schedule. Follow our progress online at www.hrrh.on.ca.

Artist's Concept

As the artist's renderings accompanying this report symbolize, we've made amazing progress. The dream is ever closer. The future was never brighter.

IKEA Vaughan – Focusing on Children

IKEA's philanthropic focus is Children...and so when the Foundation approached IKEA, Vaughan in the Fall of 2008, they were more than willing to help our Paediatrics Department by re-furnishing the following "Care by Parent" rooms: 1 Semi-private room with two single beds and a Breast Feeding chair at our Finch Site, 2 private rooms and 1 Breast Feeding room at our Church Site. This support from IKEA totals to \$4,300. With the help of Alicia Zoffranieri, Public Relations Specialist at IKEA, this project came to life.

A Fabulous Dinner hosted by a longtime donor!

On Thursday, May 14, 2009 Café Giorgio D. played host to a hundred Humber River staff, Foundation Board members, family and friends. Mr. Anthony Sampogna, Café Owner, has been a proud supporter of Humber River Regional Hospital Foundation since 1992. At the start of 2009 Anthony expressed interest and took the initiative of hosting this wonderful community dinner. It was an evening of great food, exceptional service and great fun! We raised \$1,500...thank you to all those who joined us.

Shoppers Drug Mart – Tree of Life Program

Our neighbourhood Shoppers Drug Mart locations were a proud supporter of Humber River Regional Hospital. Their 2009 Tree of Life Program, which took place during September 26th and October 19th, helped raise a total of \$8,348, in support of the HRRH Women's Health & Wellness Department. The following nine stores in the community took part: Jane/Finch, Keele/Wilson, College Square- College/Dufferin, Lawrence/Dufferin, Bathurst/Glencairn, Weston/Lawrence, Jane/Wilson, Dufferin/Eglinton, and Avenue/Wilson.

Thank you to the team at each participating store for being such amazing advocates of our hospital, we look forward to continuing our journey with you!

An Artistic Thank You

On January 18, 2010, Humber River Regional Hospital, the Foundation and donors took part in the unveiling of an original painting for our Chemotherapy Department, Church site. Harriette Caplan donated the painting In memory of her parents, Bess and Ted Caplan, former patients of Humber River Regional Hospital and In honour of, the doctor who cared for them, Dr. Sam Berger. Ms. Harriette Caplan wanted to honour Dr. Berger for his wonderful care over the many years, as Ms. Caplan said, "Dr. Berger was the only medical person that each of my parents would see without hesitation." When commissioning the piece of art, "I wanted a painting that patients and their families would like to gaze at during such a painful and stressful time. Something that individuals could look at and get so to speak 'lost in', even if only for a moment or two", said Ms. Caplan.

Care and Compassion Motivate a Son's Gift

On Friday, February 19, 2010, Humber River Regional Hospital, staff and physicians from the Nephrology Program, and the Foundation joined Pasquale and Jennifer DiCapo, along with their family and friends in a special donor recognition and unveiling ceremony, celebrating his generous gift to the Nephrology Program made In honour of his father, Vito DiCapo. "I am deeply humbled and honoured to give back to the hospital that has taken such great care of my father" says Pat "to all the doctors and nurses, thank you for keeping my dad alive." "I hope Humber will continue to receive support from the private sector in the future".

On Christmas Day 2009, Pasquale gave his father, Vito DiCapo, a gift of a lifetime – a gift that would benefit the dialysis patients of today and tomorrow. Vito has been a longtime patient of Humber, his wife, Letizia DiCapo, also once worked at the hospital. Thank you to the DiCapo family for their generous gift in support of inpatient Dialysis in The Vito DiCapo Dialysis Centre.

Amici di Padre Pio
