

@ YOUR HUMBER

Lots of Smiles—Thanks to You! *Your Gifts at Work—Today and Every Day for Kids and Families!*

This is a special update about your gifts in action in our Maternal and Child Program and at the Totally Kids Clinic. We took some time catching up with some of the doctors, nurses and staff and wanted to share this insider's tour just for you!

Khem is grinning from ear to ear—her grandson was born here at Humber! She's the Labour & Delivery Manager and she says that our staff live the Humber values every day: professionalism, compassion and respect. *"I'm most proud when I see our team go above and beyond to make a difference to patients. And it happens every day!"*

Totally Kids is an after-hours clinic for kids and families, and the Humber paediatricians take turns on call. The first person you see when you walk in is Victoria, our Clerical Associate. She loves being able to interact

with kids and put a smile on their face.

Nathalie, Manager of our Paediatric Program, reflects on the early conversations about starting the clinic: *"There were discussions about how to respond to the growing needs in the Emergency Room and it was brought up that the ER is not always the best place for children to be, unless absolutely necessary. That's how the idea was born."*

Next we chatted with Jhanvi, our Maternal & Child Program Director, who also brings her own kids to the clinic when they need after hours care. *"They just love Pepper the robot!"* Pepper is a playful, interactive robot who greets every family as they enter the Hospital. Pepper dances, sings and even does yoga to engage and interact with our patients.

Dr. Sally Kenawy adds, *"As a team of paediatricians we really*

feel more like a family here in the Totally Kids Clinic. We work really hard to make this a place where our youngest patients feel comfortable. And for the families that live right here in the Humber area, they have a world-class paediatric clinic available to them after hours."

Last stop on the tour! We caught up with Dr. Dahman, and here's what he added: *"My promise is to not let the community down. Together with your help we can provide more lifesaving services. And now that brings a smile to my face!"*

Thank you for your important support of our Hospital!

I wish that all
the kids smile in
the whole world.

Update on Monica's Story: Thriving—Thanks To You!

Earlier this year, we shared with you Monica's story. You may recall that Monica was admitted with a heart rate at 250 beats per minute, and a normal heart rate is under 100. With your help, Monica received excellent care in both our emergency and cardiac units. And because of her positive experience, she decided to make a monthly gift to support Humber.

Monica shares, "Giving monthly is perfect for me. I believe in my heart that giving

back is something we all can do. I know I'm helping one person, and that's enough, because I've been that person."

"Thanks to Humber, I feel like my life is starting again. This summer we are planning a 2-week camping trip, which we used to do years ago. But we stopped because I was worried something would happen with my health. But today, I feel more confident. I'm ready!"

If you're ready to join as a monthly donor today, that

would be fantastic! Many donors find it is a safe, secure and convenient way to support Humber on an ongoing basis—and increase your impact! You can contact Saneh at 416-242-1000 ext. 81517 or sansingh@hrh.ca with questions, or you can give online at hrhfoundation.ca/givemonthly.

Are You A Champion Of Health?

You Can Be A Leader for Our Community Hospital!

Hi! My name is Daniela and I'm here to connect donors like you to the impact of your giving! I'm also working on a brand-new program called *Champions of Health*—a leadership giving program for our most loyal and generous donors. With a gift of \$500 or more each year, *Champions of Health* provide vital and vibrant support to purchase equipment, expand our programs and invest in our world-class Hospital.

Champions of Health receive exclusive benefits too, including:

- Special invitations to Humber's "Doc Talks" series where you will meet our talented physicians and learn firsthand about the impact of your support, plus invitations to other behind-the-scenes tours of Humber
- Exclusive stories, updates and reports just for our *Champions of Health* throughout the year
- An invitation to our annual Donor Appreciation event where you can connect with us and with your fellow Champions
- Recognition on our donor wall and our website

I would love to chat with you more if you have questions or are interested in learning more. You can reach me at 416-242-1000 ext. 81529 or dcampoli@hrh.ca.

With gratitude,

Humber in Your Neighbourhood

McHappy Day

Big smiles to everyone who came out to our McHappy Day events! 16 awesome locations worked together to support Humber's NICU. Thank you to the over 100 volunteers including our Hospital staff and community partners.

Funding Innovation Art Partnership

In just one year, this terrific program has raised over \$23,000 for our Hospital! Thanks to Funding Innovation, you can bid on a rotating variety of musical, sports-related and traditional artwork and collectibles.

Right now, we have

15 easels in the Hospital, and throughout the community—check them out and bid on these beautiful pieces!

Grateful Patient Gives Back!

Gary was a professional horse trainer for 40 years and owns the Pickering Horse Centre. After receiving life-changing surgery at Humber to replace his ankle after a series of injuries, he and his family were inspired to give back. On Saturday, July 20th, Humber will be the lucky beneficiary of the PHC Reining Horse Show. Find out more at pickeringhorsecentre.ca.

Best of Italy: The Wine Event of the Year!

On May 27th guests and members of our Humber family came together to sample over 100 award-winning wines from Italy, and enjoyed authentic Italian cuisine to complement the wine selections. Thank you to Liberty Entertainment Group for hosting the 4th annual event. Cheers!

You can buy tickets for these amazing events by contacting the Foundation. We even have special discounts for our donors like you! And if you want to host your own fundraising event, we would love to hear from you. Please contact Saneh at 416-242-1000 ext. 81517 or sansingh@hrh.ca.
